# HOW TO REACH US

## BY TRAIN OR BY CAR

If you arrive from the Venice Santa Lucia railway or from Piazzale Roma (bus terminal and garages), take vaporetto (waterbus) number 4.2 or 5.2 and get off at Fondamente Nove (the stop closest to Locanda La Corte). On leaving the vaporetto, turn left and follow the Fondamenta along the lagoon for about 200 metres; after passing the second bridge, turn right and follow the Fondamenta dei Mendicanti along the canal of Ospedale to Campo S.S. Giovanni e Paolo. Here, head towards the Rosa Salva pastry shop and you will find Calle Bressana. Walk its entire length to the foot of Ponte Minich (Minich Bridge). You have arrived! Don't forget to ask for Fondamente Nove on line 4.2 or 5.2. Tickets can be purchased at the ticket offices on the jetties.

Alternatively, you can take vaporetto line 1 or 2 that runs along Canal Grande to Rialto. From Rialto, head towards Campo San Bortolomio in the direction of Calle della Bissa S. Antonio; walk past Campo San Lio, continue along Salizada San Lio, and then turn left into Calle del Mondo Novo (take the Coop Supermarket as reference). Here, you find yourself in Campo Santa Maria Formosa; head straight on towards Calle Larga Santa Maria Formosa before turning left into a narrow alley (take the optician's shop as reference). Continue straight ahead until you reach Ponte Minich, go across, and you will find Locanda La Corte at the foot of the bridge.

## BY FOOT

If you arrive from the railway station SL or from Piazzale Roma (bus terminal and garages), you can continue by foot asking for directions to Strada Nuova. After running its full length and reaching Campo S. Apostoli, continue straight ahead leaving on your left the Church of S. Apostoli and asking for directions to Campiello San Canciano, where you will find the Farmacia Alle Due Colonne (chemist) in front of you. Continue on the left to reach Campo Santa Maria Nova and immediately afterwards Calle Larga Giacinto Gallina, before reaching Campo SS. Giovanni e Paolo. To the left of the Rosa Salva pastry shop you will find Calle Bressana: You are just 50 meters away from your destination!

## FROM "Marco Polo" International AIRPORT

From "Marco Polo" International Airport, you have the following options:

1. **Speedboat "ALILAGUNA"** (Blue line: Airport - San Marco) to the Fondamente Nove stop (about 40-minute ride). The speedboat leaves regularly until 00:10 and tickets cost €15.00 per person. This is the most advisable solution.
2. **Bus** to Venice - Piazzale Roma, then vaporetto line 4.2 or 5.2 via Fondamente Nove or vaporetto line 1 or 2 as explained above.
3. **Water taxi.** A water taxi will conveniently drop you off at Locanda's private landing. The service operates from "Marco Polo" International Airport (25 minutes) at a cost of about €90.00 / 100.00 including baggage for up to 4 people, and about €70.00 / 80.00 from Piazzale Roma and the railway station SL (15 minutes). Agree on the fare with your driver before leaving. Venetian taxis (surcharge always to be agreed before leaving) can carry up to 12 people with luggage. Ask directly for Locanda La Corte, Fondamenta dei Felzi - Calle Bressana Campo SS. Giovanni e Paolo. This is the faster and more convenient solution but slightly more expensive. In any case, it is recommended if your party exceeds four.
